## NEW JERSEY BON JOVI TRIBUTE

New Jersey Bon Jovi Tribute band offers you a Bon Jovi early 2000's show when the band was at their absolute top with the legendary worldwide hit "It's My Life".

The boys' reference look and sound is the famous Madison Square Garden show (Tour 2008) and the band is performing with all those original instruments including the amazing double neck guitar of "Wanted Dead or Alive".

The New Jersey's show always include all the top hits from the 80's through all the classics and ballads that made Bon Jovi wrote indelible pages in the music history.

Moreover as the band knows more than 100 Bon Jovi songs, every show is always different because they always include some rare pearls such as songs like "Dry County" and many others that no other band usually perform and this is what the most die hard Bon Jovi fans like overall.

You'll never believe the frontman's vocal skills in songs like "Runaway", the musical fidelity of all the arrangements, the precise guitar solos and vocal harmonies, everything is masterfully live performed with no backing tracks.

New Jersey are on the road since 2007 with about 200thousand followers on Facebook and hundreds of shows all over Europe including Austria, Bulgaria, Croatia, Estonia, Germany, Italy, Romania, Russia and Switzerland...
